

Devonshire Dragons Guarantee

Our Bearded Dragons come with a two-week health guarantee (14 days) from the date of purchase or adoption. If your baby becomes ill or dies within two weeks of your purchase or adoption date, please let us know. You must return the Bearded Dragon to us, dead or alive, to receive a replacement. Replacements are at our discretion. We may elect to return your purchase price instead of giving you a replacement animal. We are not liable for any fees you pay to a veterinarian for your dragon's care. If you return an animal that we determine has been abused or has not received the minimum standard of care as outlined in the care sheet you were given at time of purchase, we will not replace the animal nor return the purchase price. In case of dispute, the opinion of our exotic vet will prevail.

Our Dragons also come with a two-week satisfaction guarantee. If you decide that you are not happy with, or do not want to keep your dragon for any reason within the first two weeks of purchase or adoption, please return him or her to us for a full refund. After two weeks, you may return the Bearded Dragon to us and we will rehome him for you, but we cannot return the purchase price after two weeks. Please, never release your Dragon outdoors or rehome him into a home that cannot care for him properly, we are happy to take the dragon back at any time, no questions asked. Devonshire Dragons will not reimburse any owner for expenses incurred housing or feeding a dragon.

Your new Bearded Dragon also comes with a parasite free guarantee. Bearded Dragons get parasites from the insects they eat. It doesn't mean the insect supplier is bad, it is just a fact of reptile life. Your baby has been veterinarian checked for the following parasites before they were delivered to you: Coccidia, worms, parasitic ova, bacterial infection and yeast infection. We offer a two-week parasite-free guarantee. If your baby develops "runny" or bloody feces within two weeks of purchase or adoption, let us know and we will get you the medicine to clear it up. We reserve the right to change the conditions of this guarantee at any time without notice.
